INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Guys, it's almost Halloween again already! Every year, when the spooky season comes around, I think about the things that scare me the most. My biggest fear? That somehow all of the cute, young BARELY LEGAL girls disappear from the face of the earth. Like a zombie apocalypse, but instead of everyone being undead, they're just ancient. *Eek!* Is that a world that's even worth living in?

Luckily, as I look at the photo-spreads for this issue, I realize how irrational my fear is. BARELY LEGAL has plenty of treats to dole out to you this month. Just look at Jazlyn, with her big, juicy titties—is your mouth watering yet? Aren't you dying to devour Dani's sweet, sticky center? And isn't Zoe too BOO-tiful to believe?

Happy Halloween! I know it will be, because this issue is 100% treats, no tricks. Yum!

@TheDaniDiaz

Hi, guys. Stacy the intern here. By popular demand, petite porn princess Dani is back to share another glimpse of her bouncy booty and beautiful mind. Are you ready to go deeper with her?

Welcome back, Dani! Wow, has your butt gotten even juicier since we last saw you in our January BARELY LEGAL?

LOL, maybe! It seems to have a life of its own.

Last time you were here, you told us that your ass was designed for anal. Can you share any stories about your adventures with butt sex?
I didn't do anal at all until that first porn scene I shot.

Wow, that's pretty intense. Did it hurt?

Not at all. Like I said, this butt was built for anal!

What's your favorite part about being in porn?
It's really helped me to become more confident. Growing up, I was kind of shy, very quiet. I still am.

That's hard to believe.

I have trouble talking to people. I don't like talking about myself, and I hate small talk. I'd rather keep my mouth shut.

Not too much, I hope. You have such a pretty smile.

Thank you!

What type of guy is your ideal boyfriend, Dani?

No boyfriend at all! I've never been in a steady relationship.

What?! Why? You're so cute, guys must be banging down your door!

I tend to get tired of people after I've hung out with them too long...and honestly, I kind of like variety.

I hope that I'm not boring you!

Zzzz....LOL, just kidding. Actually, I enjoy talking to you.

Oh, good! That makes me feel special, Dani. Would you come see us again?

I'd love to!

Yay! ★

**STELLA
BANXXX**

**nice girls
do it, too**

Hello again! It's Stacy the intern. Southern belle Stella is a nice girl—looking for a naughty job.

Hey, Stella! Did you like posing nude?

Yes, I feel like a model.

Aren't you already a model?

Well, I'm just getting started. I moved here to L.A. so I could do it all the time. Plus I want to make movies.

Porn movies?

Yes! I'm hoping these photos will get me noticed.

PHOTOGRAPHY BY HERB KING

What made you decide to do porn?

I'm too restless to sit at a desk or stand at a counter all day. I need to be active at all times—and sex is my favorite activity!

Do you masturbate a lot?

Seldomly. I prefer the real thing.

Does the real thing ever involve girls?

No, I only like men. Sorry, Stacy!

That's okay. What kind of men do you like?

Smart and mature men.

What turns you on the most?

Eyes, hair, voice, biting, and chest.

What turns you off?

Feet, toes, and bad breath.

AGE: 18
HEIGHT: 5-4
WEIGHT: 115 POUNDS
MEASUREMENTS: 34C-25-36
HOMETOWN: MONTGOMERY, AL

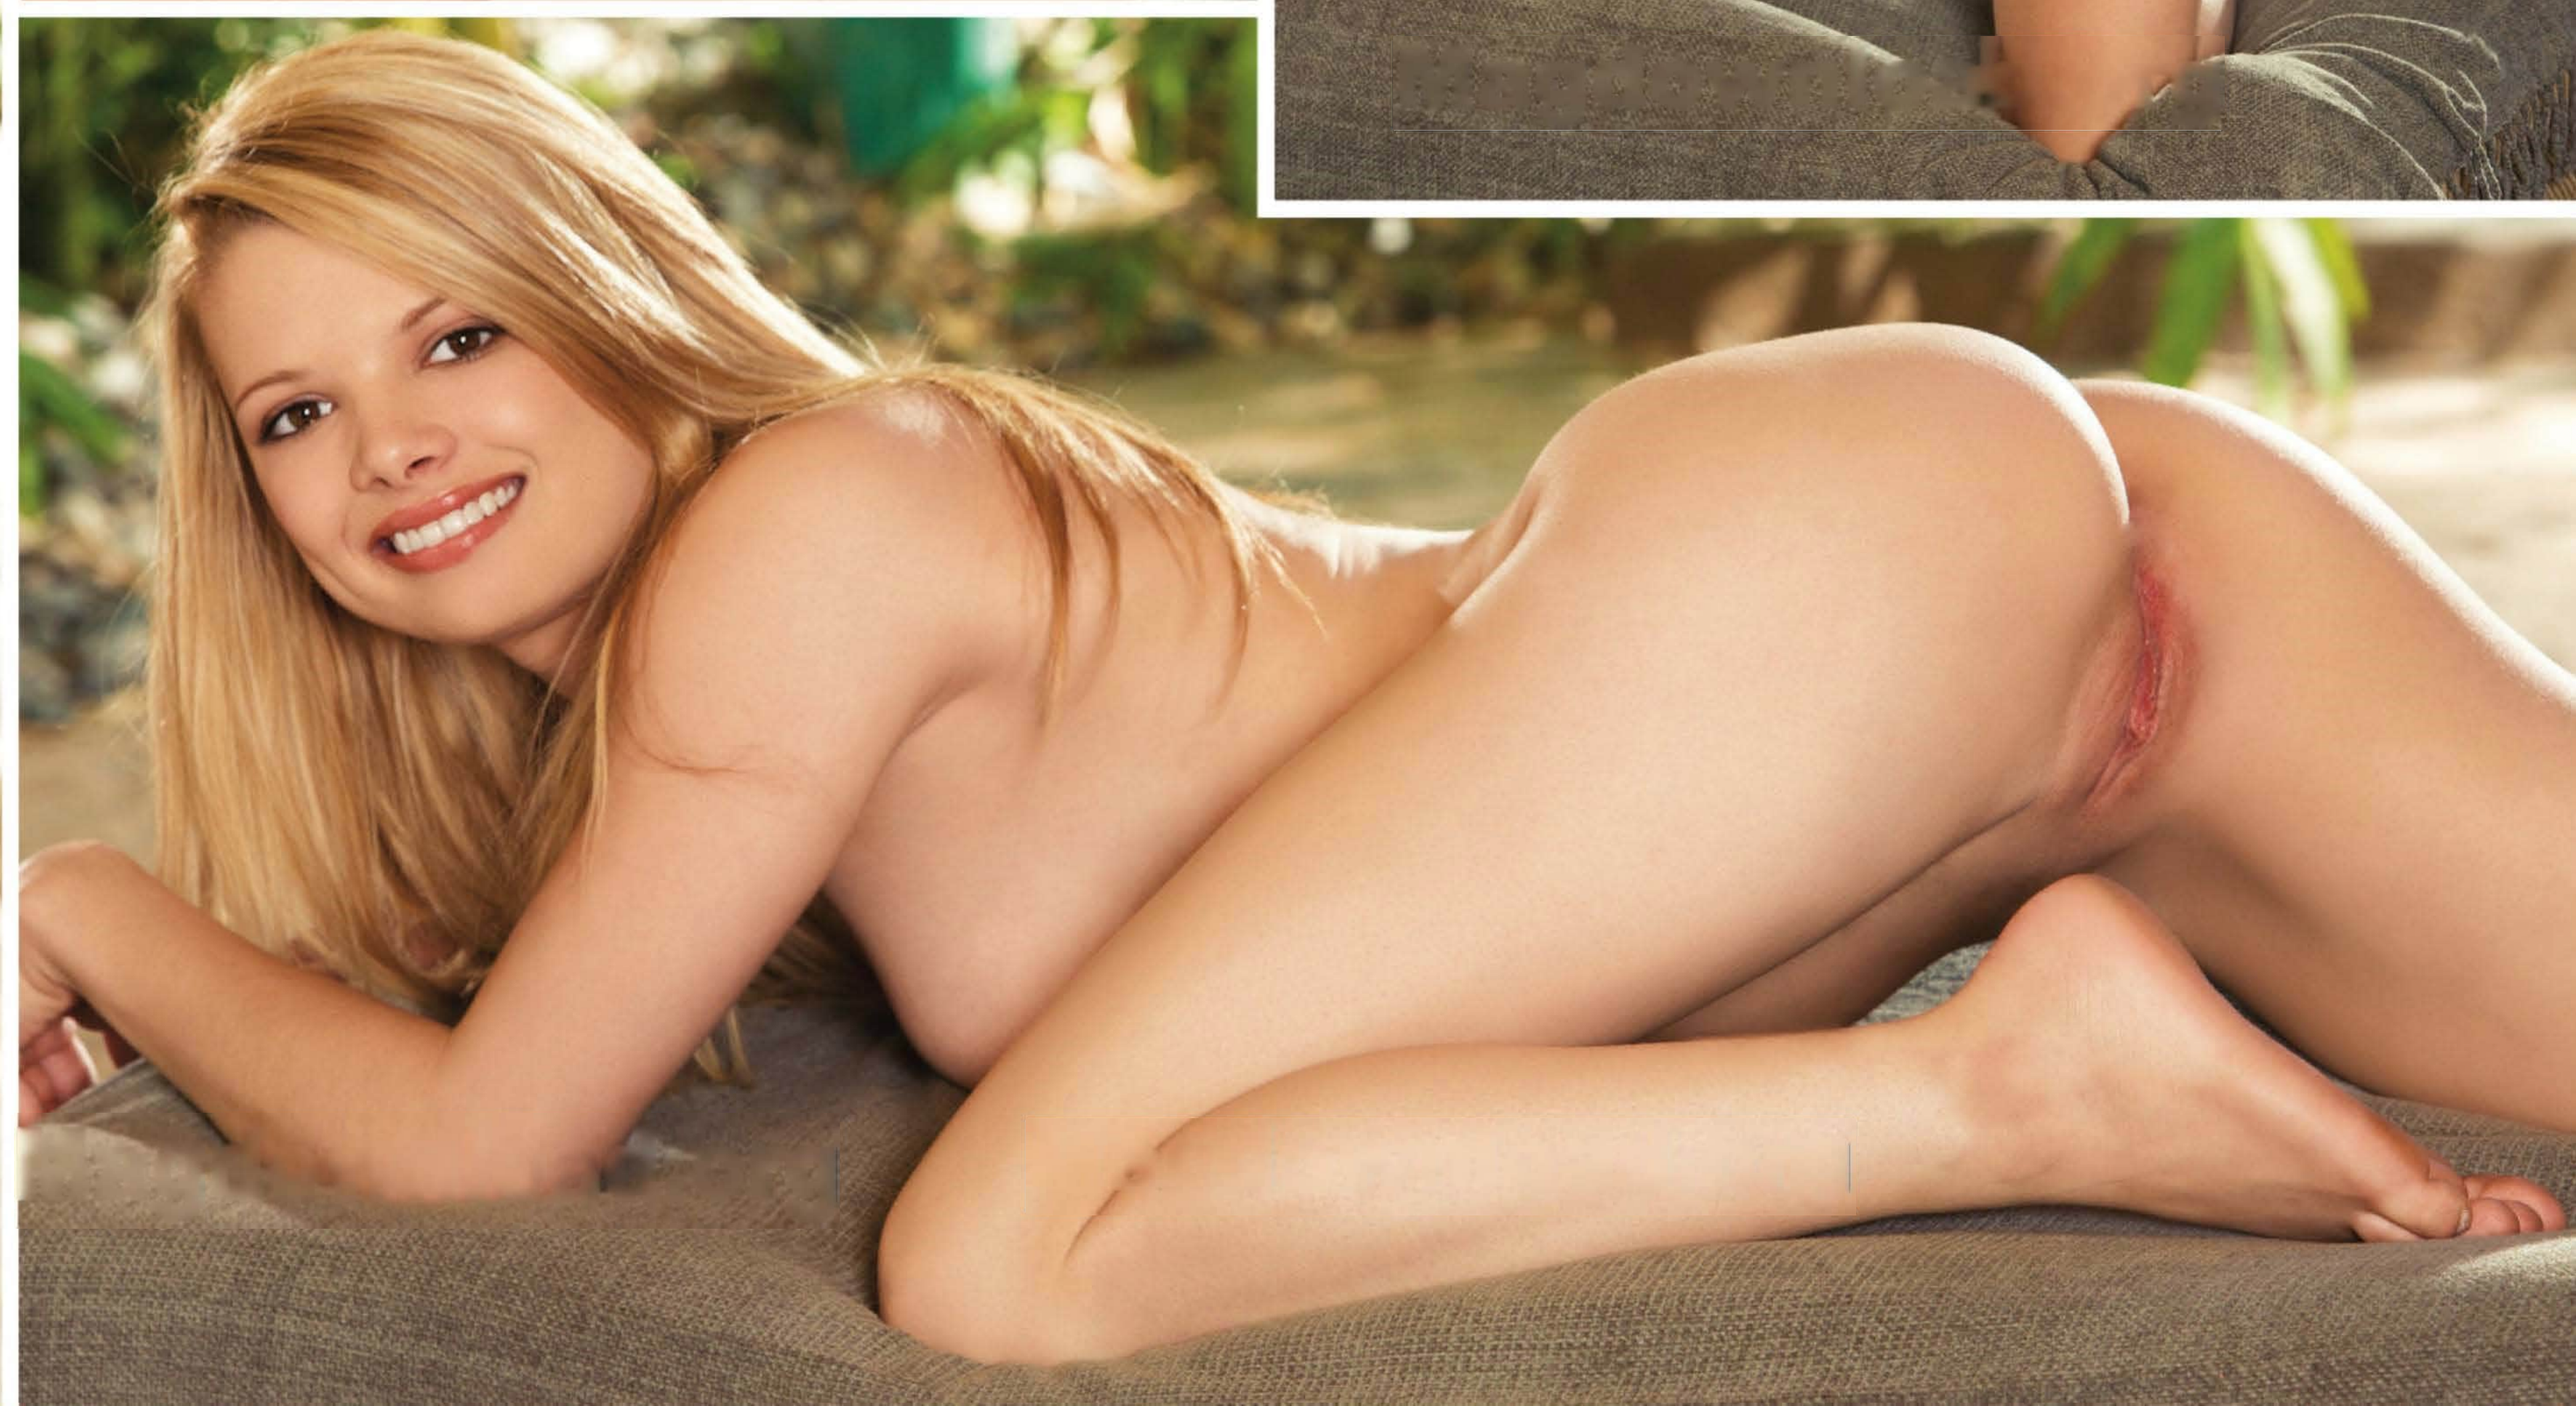

Do you like to suck cock?
Yes. It's hot when a man moans.
Are you a spitter or a swallower?
Spitter. I think I got a bad batch one time. It ruined me for swallowing.
That's sad. What's your favorite sex position?
Missionary. It's the most romantic.
What's the best way for someone to make you come?
Eat me out.
Where do you like a guy to come?
On my stomach, 'cause it's easier to clean off.
Have you ever done anal?
Never!
You sound shocked.
It just doesn't seem like a thing nice girls do.

Do nice girls do porn?
This nice girl does!
What would your dream date be?
A trip to Paris.
What's your favorite fantasy?
To have sex in a bathtub.
That doesn't seem like it would be hard to fulfill.
Well, I only have a shower in my apartment.
Maybe some nice young man with a tub will invite you over for a sexy bath.
You're teasing, but that has yet to happen.
Oh, I think it will. Good luck with your porn career, nice girl!
You're teasing again! But you'll see what a bad girl I can be. ★

ALEXIS TYLER

eyes down here!

It's me again, Stacy the intern. Cute coed Alexis loves attention. She came to the right place!

Hey, Alexis! Did you like posing nude?

Yes! Yes! I love to pose and be sexy, knowing someone is going to admire my body.

What do you think is your best body part?

My stomach, because it's flat and kind of curvy.

Do you ever expose yourself in public?

Yes. I love the attention!

PHOTOGRAPHY BY DAVE NAZ

How often do you masturbate?

Every couple of days.

What's your favorite method?

I rub my clit and use two fingers to penetrate my vagina.

What turns you on the most?

If someone rubs my clit and touches my breasts.

What kind of guys do you like?

Tall, dark, handsome, dangerous-looking.

Do you like girls?

Yes. I like girls who are curvy, seductive, and average weight.

What was your best time with a girl?

I was in bed with her, fingering her and licking her vagina and her clit as she ran her fingers across my skin.

What was your best time with a guy?

With this handsome man in my bed with candles and handcuffs. It was steamy and sweaty, with lots of moaning, licking, and biting.

Do you like to give BJs?

I love to please a man with my mouth.

Do you swallow?

Most of the time—unless the taste is very distinct.

What's the best way for someone to make you come?

With slow, seductive motions and lots of moaning.

Where do you like a guy to come?

I like when a guy comes in my mouth or on my breasts.

Have you ever fucked a stranger?

No. Nobody is a stranger once you've introduced yourself. :)

I like that! How would you describe your dream date?

A candlelit dinner, a walk on the beach during sunset, and an endless steamy night in bed.

What's your favorite fantasy?

On silky blue sheets on a beach balcony with a slight breeze, with a tall, fit, sexy man.

What are your future goals?

To get a degree in business administration, own my own shoe store, and *definitely* do some more modeling. It's addicting! ★

taking the plunge

Hey, kids! It's Shawna the intern. I'm sure you all remember Theo (she's the blonde). Well, do you notice something different about her? I sure did!

Hey, Theo. Okay, last time you were here, you were all, and I quote, "I like the pole, not the hole."

Theo: I know, I know. Natasha turned me!

How did you two meet?

Theo: I was in a store looking at a vibrator, thinking about buying it, and all of a sudden I hear this voice going, "Do you even know what to do with that?"

Natasha: When I'm attracted to someone, I make fun of them. I'm kind of like a guy that way!

Theo: So anyway, I took that as a challenge, so I went home with her, and—she definitely showed me what to do with it!

Natasha: I licked her clit while I fucked her with the vibe.

Theo: It was so awesome. I had the hugest orgasm ever.

That's all it took to turn you lez?

Theo: I'm not a lez. I'm *bi*.

How about you, Natasha?

Natasha: I'm bi. I love cock. But I love love LOVE licking Theo's pussy. It's slippery and salty, like an oyster.

Theo: Are you saying I taste like fish?!

Natasha: No, you taste like sex. And your asshole tastes even better. Like camping in the woods—fresh and dirty at the same time.

Natasha, that's like poetry!

Theo: Nat totally romances me with her tongue.

Do you use *your* tongue, Theo?

Theo: Of course! I'm not selfish! Eating pussy is kind of weird, but I'm getting used to it.

Natasha: I make her practice a lot.

Will you ever go back to guys?

Natasha: We never *left* guys.

Theo: Never! Bi is the best way to be. You double your chances of getting some ass! ★

BABY-SITTER WANTED

A BARELY LEGAL CONFESSION

BY RHYAN KENNEDY

Hey! I am SO super pumped to be in BARELY LEGAL. How cool is this?!

So, hi. I'm Rhyan, but my friends call me Ri. I'm 18 and live in San Diego. I'm a high school senior. I'm on drill team, in the drama club, and take pics for the yearbook committee. So, obviously I love dance, acting, and photography. Except maybe now I think I might like being in front of the camera better than behind! ;) Along with all the school stuff, I work, too—baby-sitting. I love my job! Maybe after high school I'll study early-childhood education. Who knows, though, 'cause I'm not that into studying—LOL!

I have a boyfriend, but things are kind of changing lately. Daron, my BF, he's cool, but I am discovering that maybe I need a guy who's a little older. I mean, Daron *is* older, technically—he's 20. But I'm starting to think that an *actual* older man—like by 15 years or so—might be my thing. I guess I should tell you guys why. I'll start from the beginning.

I got a new baby-sitting job recently. It's this nice family in a kind of rich part of town. I started a couple weeks ago. Daron gave me a ride there 'cause I don't have a car :-b. For real, my 'rents won't buy me anything!

Anyway, Daron drove me there and we were running early, so before I went in we started making out 'cause Daron's a horndog—LOL! Don't worry, the fam couldn't see 'cause they have this giant driveway that goes up a hill and we were parked down on the street.

Daron and I kissed. He unbuttoned my jeans and started fingering me. I will let you guys out there know—not all men know how to give a girl hand-sex. They can be too rough and get carried away and, like, beat a girl's clit too hard and it just hurts! But Daron is great with his fingers. He teases me, lets me get wet. Glides his finger up and down my slit till I'm slippery. Then he wiggles his fingertip against my clit, but gently. Soft enough not to hurt but firm enough to make me wanna come. Or, just come.

I was close, but I wanted to give him something before he finished me. Handjobs are fun, so I unzipped his pants, pulled out his dick, and got to stroking.

The main thing with a good handjob is you need plenty of lube. If you don't have lotion handy, all you need is pre-cum and spit—it's more fun anyway! So, that's how I did it. I swirled pre-cum around his head with my thumb. Then I worked up a good wad of saliva and dribbled it over his dick. I slid my hand down and coated his boner. I tightened my fingers around him, not too tight, but enough to make him feel like he was inside my pussy. Slowly, I stroked up and down.

Daron moaned and pumped against my hand. Watching him get worked up turned me on. My cooch was wet already, but now it was dripping! I jerked his cock harder, faster. It pulsed and twitched in my hand. It was so sexy I was like, I want to come with him. So I stuffed one hand between my legs and jiggled my puss while I pulled his peen with the other hand. A big ol' crazy gazz was building up inside me. I jerked his cock hard and finger-banged my pussy. I was coming. I thrashed and moaned, but not for one sec did I let go of

PHOTOGRAPHY BY STEVEN ANDRES

Daron's dick. We totally came at the same time—amazing!

I mean, that was so cool. It seems like we should have the most amazing and perfect relationship, right? In a lot of ways we do. But I don't know. There's just something. I mean, in a lot of ways Daron seems more like a boy than a man. And then what happened is, I met Robert, and everything changed.

I knocked on the door of the Chandler residence and a pretty lady answered. She reminded me of Courteney Cox before she had that weird work done on her face.

"You must be Rhyan," she said. "I'm Diane. Please come in."

Two kids galloped into the living room. I said hi to them. They were cute and Diane was sweet, but then Mr. Chandler walked in and I about passed out. He is, like, *the* most handsome man. Like a young George Clooney or something. OMG, I couldn't believe it!

"I'm Robert." His voice was just, like, sex. We shook hands—such a strong grip! I was all nervous and giggled for no reason. Then they left.

It was all I could do to pay attention to those kids. I was, like, dizzy! But I pretended to love playing Nintendo and we watched *Stranger Things* (actually, I love that show!). Then it was nine and the kids were pissed when I sent them to bed.

Normally I'd just watch TV and text friends while the kids slept, but this night I just started, like, wandering around the house like a weirdo. I was like, What are Robert's clothes like? Does he wear cologne? What kind of underwear? I felt like I'd fallen in love at first sight, and sometimes love makes people do creepy stuff.

I finally found the master bedroom. I poked around in Robert's closet and dresser drawers. His clothes were nice, and I'm pretty sure they smelled like him. Am I freaking everybody out here? Sorry. I couldn't resist. I went through his underpants. Boxer briefs, my favorite! My panties got wet. I'm just being honest.

The only thing to do was to play with myself. On their bed. Fine, I'm a perv—LOL! I was crazy horny. I had to do it!

I stretched out on the comforter and got completely naked. I wanted all my skin out so I could imagine him on top of it. I ran my hands up and down my body, rubbed my boobs, and pinched my nips. I spread my legs and wiggled my finger against my hole. Man, was I wet! I lubed up my clit and teased it. I went really slow. I wanted it to last. It seemed safe enough—I mean, it wasn't ten yet, and they said they'd be home by eleven.

I imagined Robert's big, strong hands all over my boobs, my ass, my legs. I raised up on my knees and thought about how awesome it would feel to ride him. Okay, this is bad, but I was kind of losing my mind—I wanted a pillow to hump, so it would be easier to pretend. So, yes, it's true. I did it. I didn't even care.

I slid two fingers into my cooch and wiggled them. I dragged my ass up and down one of the pillows. I cupped my tits and bounced and squeezed. I was horny out of my head.

I switched it up—flipped onto my back, wrapped my legs around the pillow, and rubbed my clit against it. I got on my knees, pressed my head against the pillow, and rubbed my pussy from behind. I was about to have the world's biggest gazz. My face burned. I was pouring sweat. I fell onto my back.

"*Oh-whoa-whoa-aaahnnng!*" I couldn't stop myself from moaning, even though I could've totally woken up the kids.

It was the most intense masturbation sesh ever.

I was hot and sweaty. I smoothed out the comforter and put the pillow back where it'd been. I just laid it wet side down. What else could I do, change pillowcases? That would've been way obvious. Besides, my coochie smells sweet and fresh. I just hoped the pillow was from Robert's side of the bed.

Lucky for me, the Chandlers didn't get home till I'd had time to put my clothes on, wash my face, and catch my breath. I

flopped out on the couch and turned on TV and pretended that's where I'd always been.

I tried not to make it obvious that I was in love with Robert. I called Daron. I'm sure you think I'm the world's worst person, but how else was I supposed to get home?

I guess my baby-sitting was a hit. The Chandlers called me several times over the next couple of weeks. I was still seeing Daron and he was still giving me rides and, yes, we were still making out and having sex. It's not like I was actually cheating on him! Only maybe in my head.

Finally, one night, something crazy happened. Diane was working late and Robert was at home when I got there. They were meeting at a restaurant later. My heart was about to explode—I'd never been alone with him! I mean, the kids were home, but they were so busy playing Mario Kart that Robert wasn't worried, I guess, 'cause he busted out with, "Rhyan, you're a beautiful girl. Is it wrong of me to say that?"

I was thinking, *Am I dreaming this?* I told him, "No. Thanks. You're handsome." I was about to pass out.

Robert grabbed my hand and led me to the bedroom. He locked the door.

"I smelled your pussy on my pillow," he said. "It drove me out of my head."

I was like, Omigod, I am so embarrassed! But then I was like, Maybe my pussy juice is like a magical love potion. LOL!

He pushed me down on the bed. Not violent or anything, just passionate. I couldn't believe it was happening—the man I fell in love with at first sight was pulling off my clothes and and licking my tits!

I was naked, just like I'd imagined. He sucked my neck and squeezed my thighs. My pussy was insanely wet. He dragged his lips down my stomach, all the way down, till his mouth was on my cooch. He dipped his tongue inside my hole and closed his lips around my mound and sucked it. I couldn't even believe how good it felt. I was like, Omigod, is he going to make me come already? Because I seriously could have. But I, like, willed my body to wait until his dick was in me. I wanted to come like that.

So yeah, he did, and it was the best. Stick his dick in me, that is. He flipped me over on my stomach so I was laying flat. He stuffed his hand in my butt crack and, like, spread it open. Then he slid his super hard cock into my cooch. You guys, it was *big*. It filled me up, and I loved it.

I dug my fingers into the comforter. He pounded me, hard.

He was so excited—I could feel it. He was panting and grunting, and the sweat from his chest dripped onto my back. He slipped his hands around my waist and raised me up.

"Doggy-style," he gasped. "My wife never lets me do this."

I did. I was all about it. His dick went deep that way. It almost hurt, but not really. It was too much in a way that made me love it, like he was deeper into me than anybody had ever been. And if that wasn't hot enough, he grabbed my hair and pulled my head back. Like, he wanted me so bad he couldn't get me close enough to him. It was seriously the hottest.

He was gonna come. I could feel it in me, the way his cock swelled up, extra thick.

"I want to come all over your tits," he said. "Your face, too, if you're okay with that."

It was sweet of him to make sure I was down. I was all about him, and when you're all about someone, they can come wherever they want! He did. I don't think I've ever seen that much jizz. He hosed me down. My tits, my neck, my lips. It was the best.

Yeah, so. Glad the kids didn't notice. You guys, do you think I'm a horrible person? I'm really not—I still go to school and dance on drill and do plays and stuff, just like I always have. It's not my fault I fell in love. Is it? ★

TINA

**college,
here I
come!**

AGE: 19
HEIGHT: 5-3
WEIGHT: 108 POUNDS
MEASUREMENTS: 34A-23-34
HOMETOWN: TUCSON, AZ

Hi, I'm Devon the intern. "Good girl!" Tina first showed off her awesome bod back when she was a high school senior. Now a whole new world is opening up!

Hi, Tina. What's new?

Well, I graduated, and I'm getting ready to start college in the fall.

Are you going away for school?

I thought about moving to California, but there are tons of great party schools close to home.

I thought you weren't the party-girl type?

I'm not, really, but I'm not, like, all work and no play!

Are you still single?

I've dated! *Gah!* I'm not a dateless wonder! But, yes, I am currently single—*again*.

When's the last time you had sex?

Grad night. This random guy in one of my classes came up to me and said he had a crush on me all year. He was really sweet—and kinda cute—and one thing led to another.

Did you guys do anything freaky?

I let him do me in the butt! I don't normally do that my first time with a guy, but, hey, it was grad night. I was in the mood for some fun. And besides, he had been waiting all year to hook up with me. I wanted to give him the time of his life!

But you're not dating him or anything?

No. We're going to different schools. I don't want to get too involved. But I'll probably sleep with him again before school starts!

Do you plan on doing any "experimenting" in college?

You mean with girls? You never know. If I met a really hot girl, I wouldn't say no. What I really want is to try a threesome with a girl and a guy.

Are you looking forward to hooking up with older college guys?

I have a thing for *older* older guys. Like, I wonder what it's like to have sex with a professor!

How do you like to be fucked?

It depends. Right now, there's nothing I'd love more than to be fucked really hard by someone who could take control.

Where do you like guys to come?

I like it inside me so I can feel it. It's fun that you can feel guys coming. Their dick kinda, like, pulses. It's actually really hot.

What makes you come the hardest?

When I'm with a guy? Being eaten out does it for me every time. But I come pretty hard when I masturbate, too. I just got a new pocket rocket, and I ended up soaking the sheets!

How did people react to your first layout?

My girlfriends were really proud of me. They wanted to tell everyone in school about it, but I didn't want to brag. A few guys knew I did it, though, 'cause I guess they look at porn regularly. They definitely looked at me with new eyes!

What do you like most about nude modeling?

The thought of guys looking at my picture and getting hard makes me horny. I love being a sex object! LOL! ★
